

REQUEST FOR MINIMUM REQUIRED DISTRIBUTION

WDW640

According to our records, you have attained at least the age of 70 ½. The Internal Revenue Code provides that, for the retired participant, a minimum required distribution must be made for the year in which a participant reaches age 70 ½ and for each year thereafter. Based upon your life expectancy and, if applicable, your beneficiary's life expectancy (as determined by IRS tables), the minimum required distribution amount has been calculated for you. (*Participants who do not take the required minimum distribution in a taxable year are required to pay to the IRS a non-deductible excise tax of 50% of the difference between the required amount and the amount actually distributed.*) The amount that is required to be distributed yet this year is reflected below. Please respond by December 1.

Even if you elect not to have Federal Income Tax withheld, you are liable for payment of Federal Income Tax on the taxable portion of your withdrawal.
