

# Benefits Board - International Fund

As of 4/30/2026

## Investment Objective:

To achieve long term capital appreciation by investing in a diversified portfolio of international stocks. Companies represented in this portfolio are headquartered outside the United States.

## Investment Strategy:

The fund is managed by Cambiar Investors (Denver) and Eagle Global Advisors (Houston, TX).

**Cambiar Investors** manages a diversified portfolio that invest primarily in large-cap companies based outside of the U.S. The starting universe for the Fund includes any international company with a market cap primarily above \$5 billion. Cambiar's quality and value bias will result in a portfolio overweight to developed markets, and subsequent underweight in emerging markets. The portfolio is comprised of 40-50 holdings.
